

BOOK/AUDIO BOOK MP3 ORDER FORM

"The Music Mann: My Life in Song"

By Johnny Mann

Available: June 23, 2013

Johnny Mann presents his memoir about his storied career in Hollywood in the golden age of choral conducting as told to journalist and author Kathryn Smith. John appeared at the White House, won two Grammy Awards, worked with a who's who in entertainment and was even the voice of a certain famous chipmunk. This paperback book is packed with photographs.

Listen to Johnny Mann as he personally reads his own book to you in that all too familiar voice we remember from his TV show "Stand Up and Cheer". You will laugh, and maybe yield a tear of joy as he shares his colorful life story. *Note that this is not an audio CD. This is a data CD containing MP3 files that can be played on your favorite MP3 player. This CD will not play in a standard audio CD player.
